

**NOT BROTHER-IN-LAW
AFTER FIGHT WAS OVER.**

Inwood Gardener Arrested in the Night and Now Locked Up for Murder.

MINOLLA, N. Y., Aug. 25.—Joseph P. Puri, a gardener of Inwood, is in the County Jail here charged with murder, having been arrested in his home during the night, following the

death of Frank Gigorvanni, also of Inwood. Puri and Gigorvanni were brothers-in-law. The latter worked for Puri at times and this is said to have led to the shooting. Gigorvanni claimed that Puri owed him \$47 for work. The two men were separated in a fight and Puri went home, returning with a revolver, with which he shot Gigorvanni through the head.

Rev. Robert J. Burdette Near Death. PARADISE, Cal., Aug. 25.—The Rev. Dr. Robert J. Burdette, the noted humorist, is at the point of death at his summer home at Clifton-by-the-Sea. For some months Dr. Burdette has been in poor health. He had a sinking spell yesterday, and physicians were hurriedly summoned. He is past seventy.

**MEN ENTHUSIASTIC OVER
RECOVERY TO MEET PUBLIC**

Gratitude For Success of Var-ne-sis in Rheumatism and Stomach Trouble Prompts Them to Meet Public in Person.

The report of two remarkable recoveries from rheumatism and stomach trouble through the use of the new remedy, Var-ne-sis, which has become known throughout New York State, led to the securing of a statement, and arrangements so that they will meet the public and tell, in their own words, and answer questions, the way they were in before they secured this remedy.

Mr. Robert A. Williams, of Perth Amboy, N. J., gives his experience as follows:

Men Who Claim Health Regained Through Var-ne-sis.

"I know people can hardly believe what I have had stomach trouble for more than five years, gas formed almost continually. I was bloated, nauseated, and felt as though there was a lump in my stomach, no matter how careful I was of my diet. I consulted six different physicians with no relief. Finally rheumatism set in and it was almost impossible to lift my arm or use my shoulder on account of the pain. Var-ne-sis was recommended, and after taking the medicine a short time, my stomach trouble disappeared, soreness left my arms, I gradually regained my weight, and am today a well man; not a sign or symptom of the old trouble—thanks to Var-ne-sis."

These men will meet the public at the New York office of Var-ne-sis, 507 Fifth Ave., Room 401, Thursday, from 10 A. M. to 4 P. M., and it is to the interest of every sufferer from rheumatism and stomach trouble to talk to these men, who were finally relieved from suffering through the use of Var-ne-sis. A registered physician is in attendance, and there is no charge for consultation or advice. The collection of crutches, canes and photographs is also on exhibition here. A newspaper devoted to rheumatism will be given free of charge or will be mailed to all who address W. A. Varney, Lynn, Mass.

**'CHANGE MANAGER
PLEADS GUILTY TO
\$150,000 THEFT**

Short on Account of Speculation, Says Brokers Knew He Was an Employee.

Thomas Pettone, for five years foreign exchange manager in the banking house of Redmond & Co., No. 22 Pine street, pleaded guilty to-day in the Court of General Sessions to an indictment charging grand larceny and was remanded by Judge Nott until Monday for sentence.

Pettone was arrested on Aug. 3 after the firm had discovered that he was short in his accounts to the extent of \$150,000. He had been speculating in stocks and cotton and the war panic brought about his exposure. He attempted to commit suicide while awaiting arrest.

Through his counsel, Bernard Sandler, Pettone has been negotiating with Redmond & Co. and the Lloyd's insurance concern, which is on his bond for \$215,000. It is believed that a considerable part of the money he stole can be recovered.

Pettone says he invested \$104,000 with the brokerage house of Wilson & Chardon, No. 53 Broadway; \$24,000 with Carpenter & McClave, No. 57 Exchange Place; \$15,000 with Byrns & McDonnell, No. 60 Broadway, and \$1,000 with Henry Clews & Co. In addition he lost \$10,000 in the cotton market.

Although it is against Stock Exchange rules to conduct trades for an employee of a bank or a Stock Exchange house, Pettone says that the brokerage firms mentioned knew he was employed by Redmond & Co. He bought stocks outright and his accounts are still open. When the Stock Exchange reopens his holdings may be sold for as much as or more than he paid for them.

**MRS. SINGER INDICTED
FOR VIOLATING POSTAL
LAWS IN MAGAZINE**

Dynamiting and Sex Knowledge Fill Columns of "The Woman Rebel."

The Federal Grand Jury to-day returned an indictment charging Mrs. Margaret H. Singer, editor of the monthly called the "Woman Rebel," with violating the postal laws through the mailing of the magazine, which has been debarred by Postmaster Morgan for advocating the free use of dynamite and containing "lewd, lascivious and obscene matter" in articles on race suicide and kindred subjects printed under the heading of "Sex Knowledge."

The indictment is formulated upon editorials which appeared in the July number of the "Woman Rebel," eulogizing Caron, Berg and Hansen, the three I. W. W. men who were killed by the explosion of a bomb they had made on July 4 in an uptown dwelling house. According to an editorial, the trio "were sacrificed because of their willingness to risk life for their convictions."

Another article in "The Woman Rebel," headed "A Defense of Assassination," and credited to Herbert A. Thorne, speaks of the annihilation of man-eating beasts and untractable savages before the advance of civilization, and suggests that the same methods be applied in the treatment of "those men whose natures still display the traits and characteristics of the tiger and wolf, and who, owing to the nature of our social fabric, are beyond the reach of correction."

Because of the character of the articles it contained Postmaster Morgan M. Morgan recently barred "The Woman Rebel" from the mails after a report had been made to Assistant United States District Attorney Harold A. Content by Post-Office Inspectors Thomas F. Pich and W. F. Martin. In a late issue of "The Woman Rebel" Mrs. Singer says she carries the names of 150 reputable physicians on her subscription list and also the names of a number of trained nurses, and made it plain that she intends to oppose all opposition to her circulation through the mails of certain sex knowledge which she thinks would be of service to womankind by teaching how to avoid large families.

"It is high time to defy these laws," she says, "and what sadder place to do so could be found than in the pages of 'The Woman Rebel'." She added that she proposes in an article for girls from fourteen to eighteen years of age to teach them moral cleanliness without prudishness.

Mrs. Singer is about thirty years old and good looking.

**T.R.'S PICKED MEN
BEG TO BE EXCUSED
AND SHIFT IS MADE**

Steering Committee Hates Fred. N. Davenport to Make Race for Governor.

With four of Col. Roosevelt's hand-picked candidates now out of the race, the Bull Moose party in New York State has decided to do its own picking and has selected Frederick N. Davenport, a professor in Hamilton College and former State Senator.

Former State Chairman William H. Hotchkiss was announced by the steering committee as Col. Roosevelt's personal choice, and yesterday it was all cut and dried that he was to be designated at Utica on Thursday, but Hotchkiss is out of the race to-day. His friends say he loves the Bull Moose party, but that his affection is not strong enough for the sacrifice that running for Governor and being beaten would entail.

Davenport is the one candidate not picked by Roosevelt and it is believed by superstitious Bull Moosies that he will be the candidate on Election Day for that very reason.

The first choice of Col. Roosevelt was District Attorney Whitman. Then the Colonel decided that Whitman was politically "untrue" to him and cast him aside. Then his smiles were for John A. Hennessy. The former editor was invited to see the Colonel at Oyster Bay and while there said he would not run on the ticket of a man who abused President Wilson. Hennessy was immediately dropped. Then came Harvey D. Hinnman, who was dropped after he declared that he was a Republican and wouldn't work against the Republican party.

Exporters in Bankruptcy Court. A voluntary petition in bankruptcy has been filed in the United States District Court by A. C. Lascasles & Co. of No. 8 Bridge street, exporters of general merchandise to China, Austria, the Philippines and other Eastern countries. The bill filed was for \$250,000, and the assets \$200,000. Wise & Lichtenstein are attorneys for the firm.

**ONE TYPHOID VICTIM
DIES IN WORKHOUSE**

Twenty Cases Reported on Island, but Spread of Disease Is Checked.

Deputy Commissioner Burdette G. Lewis of the Department of Correction announced to-day that there were two more cases of typhoid on Hart's Island in the workhouse, making a total of twenty in all since the

disease first broke out a week ago. One of the prisoners affected by the fever died yesterday. He was James Langman, who was sent to the island by Judge Jones of Nassau County for petty larceny and whose term had expired.

At the time his term had expired he was unable to leave, as he had pneumonia, which developed into typhoid. The official announced that they have checked the spread of the disease.

Mrs. Mary E. Pinchot Dead. WESTPORT, Conn., Aug. 25.—Mrs. Mary Eno Pinchot, mother of Clifford and Amos Pinchot, died at the home of her brother, William P. Eno, to-day after an illness of several weeks. Mrs. Pinchot was in her seventy-seventh

year and had been visiting here. Both she and her husband, Clifford Pinchot, came here with his bride immediately after his marriage about ten days ago. The funeral service will be held to-morrow morning, after which the body will be taken to Milford, Pa., for interment in the family vault.

Success to He Judge. TRENTON, N. J., Aug. 25.—George S. Sizer, at present, Prosecutor of Middlesex County, was to-day named by Gov. James F. Fieider to be Judge of the Circuit Court in place of Judge Charles S. Black, who was recently elevated to fill the vacancy in the Supreme Court, caused by the death of Judge Willard P. Voorhees. The present appointment is ad interim, but it is understood that when the Legislature meets the appointment will be made to the full term of seven years.
